FINAL ORDER DENYING PETITION AND CLOSING CASE

This case arises under the McNamara-O'Hara Service Contract Act of 1965, as amended 41 U.S.C. §§ 351-358 (1994), and the regulations at 29 C.F.R. Parts 4 and 8 (2001). The Department of the Air Force (Air Force) petitioned for review of the Department of Labor, Wage and Hour Division's denial of the Air Force's request for review and reconsideration of wage determinations applicable to certain service contracts, entered into in 1998, to be performed at Travis Air Force Base in Solano County, California. 29 C.F.R. § 4.56(a).

On March 25, 2002, the Administrative Review Board (ARB) issued an order directing the Air Force to show cause, within 30 days of receipt of the order, why its petition should not be denied as moot because the challenged wage determinations would not have changed the wages for the classifications at issue. Counsel for the Air Force has informed the ARB that the Air Force does not intend to file a response to the Order to Show Cause.

Accordingly, the petition is **DENIED**, and this case is **CLOSED**.

SO ORDERED.
